**ORDER RECOGNIZING CORPORATE NAME CHANGE, APPROVING TARIFF,  
AND ISSUING AMENDED CERTIFICATE**

(Issued September 27, 2002)

On March 12, 2002, the Utilities Board (Board) issued an order approving a joint application by Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom) and Norway Rural Telephone Company (Norway) for approval of discontinuance of service and transfer of certificates for the Corwith and Klemme, Iowa, exchanges. The application was identified as Docket No. SPU-02-2. In the order, the Board directed Norway to file new tariffs reflecting the addition of the Corwith and Klemme exchanges.

On September 20, 2002, Norway filed a request to amend its certificate to reflect a corporate name change from Norway Rural Telephone Company to Communications 1 Network, Inc. (Communications 1). Also on September 20, 2002, Communications 1 filed a replacement tariff reflecting the corporate name change and including the addition of the Corwith and Klemme, Iowa, exchanges as directed in the Board's March 12, 2002, order. No other changes to Norway's tariff were made. The request and proposed replacement tariff have been identified as Docket No. TF-02-495.

The Board will recognize the change in the corporate name of Norway Rural Telephone Company to Communications 1 Network, Inc. The Board also has reviewed the proposed replacement tariff and finds it substantially complies with the Board rules for the filing and processing of tariff pages. Therefore, the Board will approve the proposed replacement tariff and issue an amended certificate concurrently with this order reflecting the corporate name change.

**IT IS THEREFORE ORDERED:**

1. The Board recognizes the corporate name change from Norway Rural Telephone Company to Communications 1 Network, Inc.
2. The proposed replacement tariff, identified as Docket No. TF-02-495, filed by Communications 1 Network, Inc., on September 20, 2002, is approved effective upon issuance of this order.
3. Amended Certificate No. 0096 is being issued concurrently with this order. Under this amended certificate, Communications 1 Network, Inc., will be allowed to provide local exchange service as shown by its tariffs as currently and subsequently approved.
